Dissapointing Loss

Delabole United AFC were playing lowly Lostwithiel Reserves and had quite a number of regular players out for this match and it showed. The Slaters had a few great chances to take the lead and extend it in the opening few minutes of the match but the visitors took the lead through a penalty halfway through the first half. Delabole eventually lost the game 4-2 with The Slaters goals by Mac Irwin and Matt Mountain.

Slaters draw against division leaders

After the 4 week second lockdown break Delabole Utd AFC were back in action against the division leaders Bude Town 3rds. It was a bitterly cold dry day and The Slaters missed some good early chances in the first half and should of been 3-0 up. Then the visitors scored and then Delabole levelled the scores not long after. The first half was drawing to a close when Bude took the lead again and within minutes of the restart Delabole Utd AFC were back level at halftime. The second half saw 4 set pieces, three for The Slaters and one for Bude Town 3rds. The game ended 2-2 and a share of the points. Dan Edwards scoring both goals I think? This result keeps The Slaters in 3rd place 3 points from top with a game in hand.

All grassroots football postponed during 4 week lockdown

All grassroots football will be postponed during the new enforced 4 week lockdown. This means The Slaters next match will be at home on Saturday 5th December 2020 against table toppers Bude Town 3rds in a must win game. See you then and stay safe.

Slaters Back To Winning Ways

Delabole Utd AFC welcomed back St Mawgan Reserves to King George V park, this time in the Duchy League Division 2. After a first half where both teams cancelled each other out and disjointed play in very windswept conditions, the second half was played at a much better tempo for The Slaters and found a little more cohesion in their play. They were rewarded with a good goal by Sam Turner. St Mawgan had a great chance in the dying minutes to take a point but was cleared off the line by their own player. So The Slaters took all 3 points and moved into 3rd place and within 2 points of top with a game in hand. With the new lockdown now announced last night to take place from Thursday, guidance for grassroots football are being drawn up but its looking very likely that grassroots will be postponed for the 4 weeks during lockdown but will keep you posted when we know. Stay Safe

The Slaters good form continues

Delabole Utd AFC welcomed Biscovey 1sts to the King George V playing field and a tight match ensued. After a first half both sides cancelled each other out in even midfield battle, but in the second half The Slaters found the way through with a Davey Tilley speculative effort lobbing the keeper and a goal from Matthew Mountain. Biscovey pulled a goal back in the final minutes but to no avail with the final score being 2-1. This result pushes Delabole Utd AFC into third place.

The Duchy League season will go ahead for 2020/21

The Duchy League 2020/21 season will go ahead with our first league game on Saturday 12th September 2020 at home against Lifton 2nds. There are many restrictions and guidance for the league season to start and all the details can be found here:

<https://www.cornwallfa.com/news/2020/jul/18/the-fa-issues-guidelines-for-the-return-of-outdoor-competitive-grassroots-football>

There is a friendly at home against Boscastle reserves tonight at 6.30pm and on Saturday 22nd August against St Breward 2nds 2.30pm.

Delabole Utd AFC will be playing in Division 2 this year as the league has been reshuffled and the old Division 3 has been removed so there will only be The Premier, First and Second divisions as of this year. As of the moment there will be no cup competitions to be played this season but this is under constant review and could change.

This is the guidance for spectators at the game:

Q: Will I be allowed to go and watch a grassroots football match as a spectator if I'm socially distanced?

A: Supporters, parents, and other spectators should remain socially distanced whilst attending events. Spectator groups must be restricted to discrete six-person gathering limits and spread out, in line with wider government guidance, ensuring space for officials, coaches and substitutes.

Two overall guides can be found here:

[return-of-outdoor-competitive-grassroots-football-fags](#)

I will be making an archive page of all last seasons results and posts in due course and will post this page soon.
